Jakarta, Indonesia

Information Technology graduate from Universitas Muhammadiyah Yogyakarta with a strong interest in Web Development. Certified as a Certified Web Developer (BNSP) and Microsoft Excel Specialist (Certiport). Skilled in developing and maintaining web applications using modern technologies and frameworks, with additional expertise in Microsoft Office for data analysis, visualization, and dashboard creation. Experienced in building web and mobile-based projects through academic work and internships. Highly motivated to pursue a career as a Web Developer and contribute to innovative digital solutions.

Education

Universitas Muhammadiyah Yogyakarta - Yogyakarta, Indonesia

Sep 2021 - Sep 2025

Bachelor of Information Technology (S.Kom.), 3.52/4.00

Work Experience

**Kementerian Ketenagakerjaan Republik Indonesia -
PT Indonesia Blue Economy Center**

Oct 2025 - Apr 2026

MagangHub - Program Pemagangan Nasional Lulusan Perguruan Tinggi Batch 1

Web Developer Intern

- Contributed to the development and maintenance of PT Indonesia Blue Economy Center's websites, including ibec.stei.ac.id and the HRIS platform turbines.maritimepreneur.com, as part of digitalization initiatives for blue economy programs and technology-based training.
- Collaborated with design, content, and program management teams to ensure the websites' interface and functionality aligned with IBEC's digital identity and supported the Turbines HRIS platform as a national hub for blue economy education.

**Pemerintahan Daerah - Dinas Lingkungan Hidup
Kabupaten Bantul**

Mar 2025 - Jul 2025

Internship

- Successfully developed a web-based attendance system for non-civil servant employees, replacing manual processes and improving accuracy, efficiency, and transparency in attendance tracking.
- Supported the digitalization of administrative processes within the Bantul Environmental Agency (DLH) and enhanced the effectiveness of employee attendance monitoring. The system reduced data recording errors and enabled real-time attendance management for administrative staff.

Kampus Merdeka - PT MariBelajar Indonesia Cerdas

Feb 2024 - Jun 2024

Studi Independen Batch 6

Microsoft Web and Mobile Developer

- Successfully completed the Kampus Merdeka Independent Study program, focusing on developing competencies as a Microsoft Web and Mobile Developer.
- Conducted research and designed a Power BI dashboard for the capstone project titled "Sentiment Analysis of the MSIB Internship Program", delivering data visualization of participant sentiment and generating strategic insights from feedback data to support program improvements.
- Produced comprehensive reports, conclusions, and delivered presentations along with a project video demonstrating the practical impact of the data analysis.

Organization and Certification

Organization

Dec 2022 - Nov 2023

Keluarga Mahasiswa Teknologi Informasi (KMTI) UMY

Staff of Arts, Culture, and Sports

- Established collaborations and conducted meetings with other student associations to gain new insights for developing sports and cultural activities within the Information Technology department.
- Served as the person in charge of basketball activities, successfully planning work programs, coordinating regular sports events, and leading the basketball team in the Engineering Sports Week competition.

Certification

- Kementerian Ketenagakerjaan RI - MagangHub Batch 1 (2026)
- Certiport - Microsoft Office Specialist Excel 2019 Associate (2025)
